*Entrust Associates is retained to represent a high margin DME franchise in Eastern NC*

Raleigh NC. Entrust Associates Business Brokers has been retained to represent a high profit margin company that sells, rents and installs patented, low cost devices for the disabled in eastern North Carolina. This Durable Medical Equipment (DME) business can be located anywhere within the protected franchised territory covering the entire Eastern half of the state, from west of Raleigh to the coast. Even in this economic environment, Entrust believes this business is prime for much more dynamic growth for an energetic individual who is customer oriented with a passion for providing superior service.

Listing broker, Anne S. Pagano, says, "This is a turnkey opportunity as resources are in place, including contract labor, which means no employees. Payment for the product is generally pre-approved, thus rendering very minor receivables. This is a wonderful recession-resistant business, a great opportunity for any business buyer."
